THING OF TWINS

LOUD IS BACK.

ELECTRONIC PRESS KIT • 2026

THE BAND

TWICE THE NOISE. DOUBLE THE IMPACT.

Thing of Twins is a Los Angeles alternative rock duo made up of twin brothers Carlos and Lucio Garcia. Carlos handles vocals and guitar, while Lucio is on drums and backing vocals. Since 2018, they have built an experience around high-energy, dynamic performances in shows that pull from pop-punk, emo, and classic punk without sounding stuck in the past.

Thing of Twins isn't trying to recreate the early 2000s. They're writing the next chapter of it.

MUSIC THAT BRINGS PEOPLE BACK TOGETHER.

The songs hit hard, but there is always something real underneath them. Big hooks, loud guitars, and restless drums carry lyrics about growing up, looking back, and figuring out what comes next. Drawing inspiration from the bands that shaped them, Thing of Twins has built something that's unmistakably their own.

WHAT THIS BAND IS ABOUT

We're not trying to bring back the past. We're trying to give people new memories they'll look back on the same way.

ROAD TESTED

ONE DUO. ANY STAGE.

THIS IS BIGGER THAN US.

We started this band because the music we grew up on gave us something to hold onto. If our songs can do that for someone else, then every mile, every late night, and every show is worth it.

THE SONGS TO KNOW.

SEE YOU 2NITE

START HERE.

The perfect introduction to Thing of Twins. The feeling of a night you wish didn't have to end. It captures the excitement of making memories with the people you never want to say goodbye to.

SATURN

THE CROWD FAVORITE.

Honest, emotional, and built for singing at the top of your lungs. "Saturn" is the song that sticks with you long after it's over and reminds you why you fell in love with music in the first place.

ANIMAL

OFF THE LEASH.

Raw, energetic, and impossible to sit still through. "Animal" taps into that side of you that just wants to let go, turn the music up, and live in the moment. It brings a little grit while keeping the heart that defines Thing of Twins.

MEZCALITA

TURN IT UP.

Fast, carefree, and made for summer nights with your friends. It brings the kind of energy that makes every drive, party, and live show feel a little bigger.

MIDNIGHTERS

SAVE THIS ONE FOR THE DRIVE HOME.

A little more reflective without losing the band's energy. It captures the quiet feeling at the end of a great night when you're already thinking about doing it all again tomorrow.

BRING THING OF TWINS TO YOUR STAGE

Thing of Twins has built a reputation for delivering performances that feel bigger than the stage they're on. Whether playing a hometown venue or a major festival, the band's focus remains the same: create the kind of show people remember long after the lights come up.
